

LASE Transit flight

Submitted by **Syed Ismail** on Sun, 08/15/2010 - 10:22

- LASE

Flight Date:

Friday, August 13, 2010

Sortie Number:

100605

LASE had a very good flight, it measured water vapor, aerosol, and cloud distributions and its also made observations over TD#5. It saw TTL with enhancements of water vapor.

Status:

Green
